NOTICE OF PUBLIC HEARING

NOTICE IS HEREBY GIVEN that a Public Hearing will be held by the Ventura Local Agency Formation Commission (LAFCo) for the following matter:

Recognition of the Jurisdictional Boundary of the Metropolitan Water District of Southern California within Ventura County

Project Description: The project involves the Commission's acknowledgement of the existing jurisdictional district boundary of the Metropolitan Water District of Southern California (MWDSC) in Ventura County. The MWDSC is authorized to provide wholesale potable water within its service area, and provides imported water from Northern California (through the State Water Project) and from the Colorado River (through the Colorado River Aqueduct). Within Ventura County, the MWDSC provides water service through the Calleguas Municipal Water District, which is a regional wholesale water provider and is one of 26 member agencies of the MWDSC. Acknowledgement by the Commission of the MWDSC's service area is the first of several necessary steps to ensure that future jurisdictional boundary changes of the MWDSC comply with LAFCo law.

Purpose of the Public Hearing: The Commission will hold a public hearing and may take action with respect to the acknowledgement of the existing jurisdictional district boundary of the MWDSC. All interested persons are invited to attend, be heard, and participate in the public hearing. At the public hearing, LAFCo will consider written and oral comments that have been submitted regarding the subject matter. Written communications may be directed to: Ventura LAFCo, c/o Kai Luoma, Executive Officer, 801 S. Victoria Avenue, Suite 301, Ventura, CA 93003.
